

## That's a Wrap!

---

We hope you enjoyed our first ever Virtual Bike Week Winnipeg (and we hope next year will be much less virtual...)

Thank you to all who participated. It was great to see so many folks and families out on their bikes, and we appreciated the pictures, videos, and exposure on your social channels.

We tried a few different things for Virtual Bike Week 2020 - from videos to Bike Week Bingo to helping people with route planning. We would love to hear your feedback on these and other events and activities. Feel free to reach out to us by email at [info@bikeweekwinnipeg.com](mailto:info@bikeweekwinnipeg.com).

We are now focusing on making Bike Week 2021 bigger and better than ever before and we hope that Winnipeggers will embrace it with the same enthusiasm they always have.

## Thank you to our sponsors

Special thanks **The City of Winnipeg** and **Assiniboine Credit Union** for their support of this year's Virtual Bike Week. Both these sponsors have been on board since the very first Bike to Work Day in 2007, and we could not make this event a success without that support. THANK YOU!

## Upcoming Bike Events/Activities

### Ride Don't Hide

Bike Week is a proud supporter of Ride Don't Hide, a nationwide fundraising bike ride that brings mental health out into the open. Join us on June 21 for a virtual nationwide community bike ride that brings mental health into the open while raising essential funds for mental health initiatives. Visit: **Ride Don't Hide Manitoba**

### Winnipeg Trails

Winnipeg Trails would like to see Open Streets stay open longer than the plan closure date of July 7. **Read their petition: [winnipegtrails.ca/petition-to-keep-open-streets/](http://winnipegtrails.ca/petition-to-keep-open-streets/)**

### Love 30 on 30

June 30 is the 2<sup>nd</sup> monthly Love 30 on 30 which is a movement inspired by Love30 Canada. Join neighbourhoods across the city and show your support for 30km/h safe vehicle speeds in Winnipeg. On the 30th of every month you can join in and help to make Winnipeg streets safer by for everyone using the space on your street to draw Love30 logo with chalk, put out planters or garden boxes, or even have an informal block party. Have fun, and get creative! Learn more

*This year's programming takes into consideration the well-being of our communities and the [health recommendations of the Province of Manitoba](#) to ensure all participants can enjoy biking to the fullest. We are prepared to make adjustments to our programming to maintain the health and safety of our participants.*
