

Bike Week is Almost Here!

Through changing restrictions and the uncertainty of the pandemic, this has been a difficult year for all of us.

And your safety is our top priority.

This Bike Week, we're looking forward to getting outside and celebrating separately, but together. Our DIY rides and contests offer great ways to get out on your bike while being mindful of public health and safety!

Winnipeg's own Bike to Work Day is less than TWO WEEKS away!

Bring out that bicycle and go through your [ABC Checklist](#) because it's almost Bike Week! The 10th annual Bike Week runs June 7th - June 13th this year. We will have a mixture of virtual and DIY programming, always following COVID-19 Public Health Orders from the Manitoba Government.
